## 2 The amount of Cashback that can be earned and how Cashback is paid

**2.1** Unless we tell you otherwise, the maximum Cashback you (including any additional cardholders) can earn in any Cashback Year on your Business Account is £600. A '**Cashback Year**' is a period of 12 months from your first Business Account monthly statement date and anniversary thereof.

**2.2** You will be able to earn Cashback from the date your Business Account is opened, and Cashback will be calculated daily on eligible spend unless your Business Account is closed.

**2.3** Cashback will be credited to your Business Account monthly (each month being a '**Cashback Month**') unless your Business Account is closed in which case any Cashback earned will not be paid. Cashback credit will appear on your Business Account monthly statement with the narrative 'CASHBACK REWARD'.

**2.4** If you earn less than £1 in any given Cashback Month, this will accrue to the next Cashback Month until the amount of Cashback exceeds £1.

**2.5** Cashback earned in any given Cashback Month will be used to reduce your Business Account monthly balance and will not be paid out in cash or any cash equivalent.

### **3 When Cashback will not be earned**

- 3.1** Cashback will not be earned on the following:
- 3.1.1** transactions that are not classed as Purchases (please refer to your Agreement for more information); and
  - 3.1.2** Purchases that you cancel or return for a refund, credit adjustments or fraudulent transactions. When this happens we will subtract the applicable Cashback at the same rate it was earned when calculating your next Cashback reward.

### **4 Maintaining eligibility for Cashback**

- 4.1** You will be eligible for Cashback provided your Business Account remains open. If we close your Business Account in accordance with the Agreement (other than as a result of a lost or stolen card), you will lose any Cashback that has been earned but not yet credited to your Business Account.
- 4.2** We reserve the right to suspend or terminate your Cashback eligibility if you breach the Agreement.

### **5 Ending the Cashback scheme**

- 5.1** We may end the Cashback scheme if we close your Business Account in accordance with the Agreement.
- 5.2** We may change the terms of this Cashback scheme at any time and by giving you at least 2 months' notice unless the change is to your advantage in which case we may make the change immediately.
- 5.3** We may also stop providing the Cashback scheme to you by giving you at least 2 months' notice without any explanation being required. If we end the Cashback scheme at any time, we will pay you any Cashback accrued on your next Business Account monthly statement date, subject to these Cashback scheme terms and conditions.

### **6 Taxes**

- 6.1** Cashback received by a business that relates to business purchases may constitute taxable income of the business and should be included in the business' tax return for the year in which it is received. Please note that as we do not provide tax advice, you should seek independent tax advice as required. This clause is based on our understanding of current tax law which is subject to change, including with possible retrospective effect.
