How to sign on in the secure Cards OnLine environment

Step 2.

This is the sign-on screen where you will be prompted to enter the following:

Step 3.

Once enrolled, you will receive a letter from NatWest containing a Mail Authentication Code (MAC). This unique code provides you with full and secure access to your account information through Cards OnLine.

You will only be required to enter your MAC once. You will not be required to repeat this step when you next sign on.
