*** It is not possible for customers using Bankline to set up standing orders through the Bankline service.

**** A standing order can be set up to an existing payee or a recognised company.

Information about operational and security incidents

We are obliged to notify the Financial Conduct Authority if we become aware of a major operational or security incident which prevents our customers from using our payment services.

	In the 3 months between 01 July 2021 and 30 September 2021*	In the 12 months between 01 October 2020 and 30 September 2021*
Total number of incidents reported	1	15
Incidents affecting telephone banking	0	1
Incidents affecting mobile banking	0	3
Incidents affecting internet banking	0	10

* These numbers include incidents that impact other members of NatWest Group.

Complaints data

Financial Conduct Authority rules require us to provide them with a report of our complaints data every six months. In certain circumstances, we are also required to publish a summary of our complaints data. The most recent summary is available [here](#).

The Financial Ombudsman Service publishes its complaints data every six months. You can see their complaints data about us [here](#).

Opening a current account with us

Go to www.business-account-opening-guide.ukfinance.org.uk to find out how you can open an account, and what information and documents you need to give us to open an account.

How quickly do we open business current accounts?

We give customers an account number and enable them to start paying into the account:

the same day, for **73%** of customers;

on average, in **1** day; and

within **15** days for 99% of customers

These figures are based on the time taken from our receiving all the information and documents we ask for at www.business-account-opening-guide.ukfinance.org.uk, in a case where we don't need any further information or documents to open the account.

How quickly do we give customers a debit card?*

Once an account is open, we give customers a debit card:

the same day, for **0%** of customers;

on average, in **3** days; and

within **5** days for 99% of customers

* These figures are calculated from when a customer has an account number and can pay into the account to the point when the service is received.

How quickly do customers get internet banking?* & **

Once an account is open, customers have internet banking:

the same day, for 0% of customers;

on average, in 15 days; and

within 15 days for 99% of customers

*These figures are calculated from when a customer has an account number and can pay into the account to the point when the service is received.

** Internet Banking is when you can access all the services to enable you to set up payees and make payments which requires a card reader for additional payment security. When you first log-in to Internet Banking, you can undertake some activities including viewing account balances, transferring money between your own accounts, initiate some payments to a list of preferred suppliers and download statements. Our 15 day average figure is based on our full Internet Banking service and is dependent on you holding a working account number and requesting a card reader on the same day that you have registered for Internet Banking.

How quickly is an overdraft available?

When a new customer requests a business current account, we'll discuss their banking requirements with them. If there is a requirement for an overdraft, this will be progressed as a separate application, therefore this is not in-scope of this measure.

Replacing a debit card

How quickly do we replace debit cards that have been lost, stolen or stopped?

the same day, for 0% of customers;

on average, in 3 days; and

within 5 days for 99% of customers

To open any of our accounts, a new customer will need to provide us with the documents and information set out [here](#). We may request additional information or documents in individual cases.

You can open an account:

Without visiting a branch	✓
Where a visit to a branch is required, without an appointment	X
By sending us documents and information electronically	✓
By post	X

The requirement to publish the Competition and Markets Authority independent service quality survey results for business current accounts can be found [here](#).
