The Bankline Mobile app is available on iPhones and Android devices running the latest iOS/Android software version. You require a Bankline account to use Bankline Mobile. Touch ID/face ID for iPhone and fingerprint/facial recognition for Android must be enabled on your Apple or Android device respectively to use Bankline Mobile. Touch/Fingerprint is available on selected devices. Face ID is available on selected Apple devices. Bankline mobile detects your strongest biometrics to use for payment authentication within the app.

There is no additional charge for downloading or the usage of Bankline Mobile – All transactions will be billed in line with your Bankline tariff. If you pay for depositing cheques, your usual cheque tariff will be applied for each deposit. You will not be charged a credit fee. You can deposit cheques up to the value of £10k per cheque, with a daily limit of £30k per Bankline ID. Your mobile phone network operator may charge you when using Bankline Mobile and these charges may vary if you use your mobile phone to access Bankline Mobile when abroad. Bankline is available to those.
