The Institution confirms that it is committed to conduct its FICC market activities (its 'Activities') in a manner consistent with the Core Principles contained in FMSB Standards, and to have internal policies, procedures and controls reasonably designed to give effect to those Core Principles where they are applicable to its Activities, in a manner that is commensurate with the nature of its Activities in the relevant entity or jurisdiction.

This Statement of Commitment applies to all Standards published by FMSB in final form prior to 31 December 2020 and reaffirms any previous Statements of Commitment made by the Institution where appropriate.
