Additional terms for your First Saver account

1. Account held in trust

- 1.1 The account can be transferred into the child's name from the age of 7 at the request of the adult trustee. This will remove the adult's name from the account and only the child can then give instructions on the account.
- 1.2 If a trustee dies or lacks mental capacity, the operation of the account can either be:
 - transferred to a new trustee (aged 18 years or over); or
 - transferred into the child's name. The child must be aged 7 years or over, and an adult must consent to the transfer. The adult trustee's name will be removed from the account.
 - A copy of the Savings Account Terms and the Information Sheet will be provided to the new trustee or child.
- 1.3 If you are an adult trustee and your address is not in Scotland, you can open and hold an account in trust for a child up until they are 18 years old.
- 1.4 When the child is 16 years old (if your address is in Scotland), or 18 years old (if your address is elsewhere) the child is legally entitled to the money in the account. At that age, you should make your own arrangements to transfer the account into the child's name so they can access the money.

2. Account held in the child's name

When you are 16 years old, your account will be changed to an Instant Saver Account. At least 60 days before this happens, we will let you know about the change and provide you with up to date copies of the Savings Account Terms and the Information Sheet for the Instant Saver Account.

How do I open and manage my account?

Eligibility

You must be aged 16 years or over and resident in the UK for tax purposes.

You must:

- not have subscribed to another cash ISA (including a Help to Buy: ISA with another provider) or have subscribed more than the overall subscription limit in total to a cash ISA, a stocks and shares ISA, an innovative finance ISA and a lifetime ISA in the same tax year;
- hold the account solely in your name

If you already have a current account with us you can open your account on our mobile app, online, in branch or by telephone.

If you don't have a current account with us you can open your account online or on our mobile app (you need to register for online banking before you can get our mobile app).

We will need your email address and mobile number to open your account.

You can manage your account on our mobile app, online, in branch or by telephone.

Balance and ISA allowance

There is no minimum deposit required to open the account; no minimum deposit needs to be made on a regular basis; and there is no maximum balance limit.

However, there is a limit on the amount you can pay into your account each tax year (6 April to 5 April). This annual limit, also known as your "ISA allowance", is set by the Government and may change from time to time. For tax year 2019/2020 it is £20,000. If you pay in more than the limit any excess money will be returned to you.

If you make a payment for a tax year into your Cash ISA, you can't make any payments for that tax year into any other cash ISA except for a NatWest: Help to Buy ISA.

Making payments to both a NatWest Cash ISA and a NatWest: Help to Buy ISA

You can make payments to a Help to Buy: ISA in the same tax year as a NatWest Cash ISA provided that:

- the Help to Buy: ISA is held with us;
- you don't pay in more than the ISA allowance between the Cash ISA and the Help to Buy: ISA.

You can transfer all or part of any ISA held with another provider to us. Find out more at natwest.com/isatransfer.

Can I withdraw money?

Yes. No notice is required.

You can withdraw money:

- in branch
- by transfer to any other account based in the UK (online, by telephone or on the mobile app)

If you make a withdrawal, you will not be able to deposit more money into your account if it means you will exceed the annual limit.

You can transfer your ISA (or part of it) to another ISA manager.

There are daily limits on the amount you can transfer from your account online, by telephone or on the mobile app.

The current daily limits and how to withdraw more than them can be found at natwest.com/what-are-the-payment-limits or by contacting Telephone Banking.

Charges for using your cash card

Sometimes we'll charge you fees for using your cash card to access your money. We've explained these fees and when they'll be charged below, but this doesn't include any fees a third party might charge you (for example, a cash machine fee):

Transaction type	Charges
Withdrawing foreign currency from a cash machine in the UK	Non-Sterling Transaction Fee of 2.75% of the value of the transaction.
Cash withdrawals from a cash machine outside the UK	

Where a fee is shown as a percentage, this means a percentage of the value of the transaction in pounds Sterling.

We'll convert any payment made in a foreign currency using your cash card into pounds Sterling using the Visa Payment Scheme Exchange Rate. If you'd like to see the most up-to-date exchange rates you can visit visaeurope.com and click on the Cardholders section.

If you'd like to view our currency conversion charge with reference to the daily rate which is issued by the European Central Bank, you can visit natwest.com/usingmycardabroad.

The figures displayed on that page change daily and are simply to help you compare our fees with other banks across Europe.
