Prefer same day value on cash deposits.

Your challenges

- Your business accumulates large volumes of cash.
- You or your staff spend too much time in branch when depositing cash.
- A risk of theft or fraud and no audit trail with your current cash depositing.

Our solution

- Each wallet will have a unique barcode to give you and us traceability for your deposit.
- You'll skip branch queues and avoid waiting for cash to be counted by going straight to one of our BQD machines*.

Benefits

- Secure – The wallet has a tamperproof seal that won't open once you've shut it
