# **Balham branch is closing on 24 January 2023**

A guide to explain what this means for you.

# The way we bank is changing

With the ease of mobile and online banking fewer people are coming into the bank. This means we've had to make some tough choices about which can stay open. So, we want to make sure that we keep the branches people are using most.

Across the bank we have seen.

Measurement in both graphs is millions

More than

# 644

million mobile and online transactions were processed in 2021

## Our responsibility to you

We completely understand that online banking isn't right for everyone. Sometimes you want to chat things through with someone. We promise that you'll still be able to talk to one of our team either on the phone, by video or in one of our other branches.

We've put together this leaflet to guide you through the changes, but if you've got any questions at all just ask one of our team.

They'll be on hand to help you find ways you can bank that best suit your needs. We're also here for anyone who'd like help in getting started with online banking or our app. As well as short, easy-to-follow How To videos, we run online classes over Zoom. You'll find everything you need to know on our website [natwest.com/onlinebanking](https://natwest.com/onlinebanking) (And there are some handy fraud and scam awareness tips too.)

We also have Customer Support Specialists that are dedicated to helping customers who need more support.

# How we decide to close a branch

Closing a branch is always difficult and not a decision that we ever take lightly. We look at:

- the likely impact on customers. How often customers use the branch – and the transactions they’re making.
- their banking preferences.
- where the nearest branch and nearest cash machines are.
- is there a local Post Office® for everyday banking?
- all the other banking options: Online, Mobile, Telephone and Video Banking.

## In Balham, we saw:

- the branch was used by **5** personal customer(s) on a regular basis in 2021.
- the branch was used by **86** business customer(s) on a regular basis in 2021.

# **NatWest Balham will permanently close from 24 January 2023**

## **How we've communicated this closure to customers**

In line with the Financial Conduct Authority's guidelines, we took a range of factors into account before deciding to close this branch. You can read about these on pages 2 and 3 of this factsheet.

After speaking to our branch colleagues, we wrote to all branch customers to tell them about the closure, including other ways they could bank with us and where their nearest branch, ATM and Post Office was. We understand that closing a branch can be difficult for some people so we always give customers at least 12 weeks notice of closure to allow them time to consider their options.

The notice of closure was also reinforced with a poster displayed in the branch which stated the closure date. In addition, we got in touch with customers who use the branch and those who may need extra support, to see what we could do to help. We've been able to offer advice on the easiest ways to bank in the local area. And we've also been able to help those who want to get started with Online Banking.

## **How we've engaged with the local community**

After we announced the closure, we spoke to key members of the local community to help us understand the impact that closing the branch could have.

## The individuals and groups that we spoke to were:

- Ms Marsha De Cordova MP
- Councillor Dan Hamilton
- Royal Trinity Hospice
- The E Hayes Dashwood Foundation
- St. Anthony's Home
- Crosslight Advice

The feedback we received from customers, community members and organisations was welcomed. We received 49 enquire(s)\* and 1 complaint(s)\*\*.

## This is what you told us

- Customers were disappointed at the closure of the branch. We were able to alleviate concerns by providing further clarity around how we came to make this difficult decision, as well as providing additional support and information on the alternative ways you can continue to bank with us.
- Customers were concerned about changes to their account details and the location of the nearest branch. We provided information on what the change will mean for customers and advised of the alternative ways to bank including the local Post Office. We explained we have a dedicated support line set up for customers who are over 60 or are in a period of extended isolation. It is managed by a dedicated team of Customer Care experts and is open from 8am-8pm, 7 days a week.
- Local community groups were disappointed at the closure of the branch. We were able to alleviate concerns by providing further clarity around how we came to make this difficult decision, as well as providing additional support and information on the alternative ways customers can continue to bank with us.

\* An enquiry is any question that can be answered at first point of contact.

\*\* Any oral or written expression of dissatisfaction, whether justified or not, about the provision of, or failure to provide, a financial service or a redress determination, which alleges that the customer has suffered (or may suffer) financial loss, material distress or material inconvenience.

## We're still here to help
