

Bootle branch is closing on 10 May 2023

Here's what it means for you.

NatWest

TOMORROW BEGINS TODAY

The way we bank is changing

With the ease of mobile and online banking fewer people are coming into the bank. This means we've had to make some tough choices about which can stay open. So, we want to make sure that we keep the branches people are using most.

Across the bank we have seen.

Measurement in both graphs is millions

More than

644 million mobile and online transactions were processed in 2021

Our responsibility to you

We completely understand that online banking isn't right for everyone. Sometimes you want to chat things through with someone. We promise that you'll still be able to talk to one of our team either on the phone, by video or in one of our other branches.

We've put together this leaflet to guide you through the changes, but if you've got any questions at all just ask one of our team.

They'll be on hand to help you find ways you can bank that best suit your needs. We're also here for anyone who'd like help in getting started with online banking or our app. As well as short, easy-to-follow How To videos, we run online classes over Zoom. You'll find everything you need to know on our website natwest.com/onlinebanking (And there are some handy fraud and scam awareness tips too.)

We also have Customer Support Specialists that are dedicated to helping customers who need more support.

How we decide to close a branch

Closing a branch is always difficult and not a decision that we ever take lightly. We look at:

- the likely impact on customers. How often customers use the branch – and the transactions they’re making.
- their banking preferences.
- where the nearest branch and nearest cash machines are.
- is there a local Post Office® for everyday banking?
- all the other banking options: Online, Mobile, Telephone and Video Banking.

In Bootle, we saw:

Comparing January 2019 and January 2022, counter transactions for personal customers have decreased by 63%

In 2021 72% of personal customers using the branch also chose to use Online Banking or our mobile app

- the branch was used by **0** personal customer(s) on a regular basis in 2021
- the branch was used by **72** business customer(s) on a regular basis in 2021.

Natwest Bootle will permanently close from 10 May 2023

How we've communicated this closure to customers

In line with the Financial Conduct Authority's guidelines, we took a range of factors into account before deciding to close this branch. You can read about these on pages 2 and 3 of this factsheet.

After speaking to our branch colleagues, we wrote to all branch customers to tell them about the closure, including other ways they could bank with us and where their nearest branch, ATM and Post Office was. We understand that closing a branch can be difficult for some people so we always give customers at least 12 weeks notice of closure to allow them time to consider their options.

The notice of closure was also reinforced with a poster displayed in the branch which stated the closure date. In addition, we got in touch with customers who use the branch and those who may need extra support, to see what we could do to help. We've been able to offer advice on the easiest ways to bank in the local area. And we've also been able to help those who want to get started with Online Banking.

How we've engaged with the local community

After we announced the closure, we spoke to key members of the local community to help us understand the impact that closing the branch could have.

The individuals and groups that we spoke to were:

- Mr Peter Dowd MP
- Age Concern Liverpool & Sefton
- Councillor Christine Maher
- Prima Group
- St. Andrew's Community Network
- Harbour Light Assisted Living CIC
- Citizens Advice Sefton (Bootle)
- Afton Lodge Residential Care Home

The feedback we received from customers, community members and organisations was welcomed. We received 401 enquiries* and 0 complaint(s)**.

This is what you told us

- Local community groups and customers were concerned about access to cash and impact on the elderly and vulnerable customers in the community. We were able to provide additional support and information on the alternative ways they can continue to bank with us, as well as how our Customer Support Specialists will be supporting local communities going forward. We also provided information on our 'Keeping Your Money Safe' event which is designed to help educate the community against the latest frauds and scams.
- Customers were concerned for the future of staff in their local branch. We were able to explain our commitment to supporting everyone affected by these changes. We assured customers that we take the wellbeing of colleagues seriously and where we make changes, we consult with employee representatives and colleagues. For those impacted, we have put a strong support package in place and will continue to work with colleagues individually around what this change means for them.
- Customers were concerned about how to conduct their day-to-day banking once the branch closes. We provided information on what the change will mean for customers and advised of the alternative ways to bank including the local Post Office.

* An enquiry is any question that can be answered at first point of contact.

** Any oral or written expression of dissatisfaction, whether justified or not, about the provision of, or failure to provide, a financial service or a redress determination, which alleges that the customer has suffered (or may suffer) financial loss, material distress or material inconvenience.

We're still here to help

Even though the branch is closing, we are still here to help you. There are other ways you can do your everyday banking detailed on page 8. However, if you'd like to ask us anything or you need extra support, please get in touch with our dedicated Customer Support Specialists on **0131 380 6528**, (Relay UK **18001 0131 380 6528** or International **+44 121 380 6528**).

Remember there will be no change to customer account numbers, sort codes, standing orders, direct debits, cards, PINs or cheque books.

Banking at the Post Office®

Did you know that you can use your debit card to check your balance, withdraw and pay in cash at the Post Office? You can make cheque and cash deposits with a barcoded credit slip and you can withdraw up to your daily card limit (or £500 max). You can also deposit cash but note that limits apply. Business customers can do all this and can register to use our change giving service. This lets you swap notes for coins, or higher notes for £5 notes. Your point of contact at the bank will be able to fill you in.
