Manchester Spinningfields Square
branch closure.
25 May 2022.

Facts correct as at 30 October 2021.

NatWest Manchester Spinningfields Square branch will close on 25 May 2022.

The way we bank is changing.

With the ease of mobile and online banking fewer people are coming into the bank. This means we've had to make some tough choices about which can stay open. So, we want to make sure that we keep the branches people are using most.

Across the bank we have seen.

- Average counter transactions reduced by 30% between January 2018 and February 2020.
- The number of customers using mobile apps increased by 19% between January 2018 and February 2020.
- More than 585 million mobile and online transactions were processed in 2020.

How we decide to close a branch.

Closing a branch is always difficult and not a decision that we ever take lightly. We look at:

- The likely impact on customers. How often customers use the branch – and the transactions they're making.
- Their banking preferences.
- Where the nearest branch and nearest cash machines are.
- Is there a local Post Office® for everyday banking?
- All the other banking options: Online, Mobile, Telephone and Video Banking.

In Manchester Spinningfields Square, we saw:

- between 2017 and 2019, counter transactions for personal customers have decreased by 36%
- the branch was used by 7 personal customers on a regular basis in 2019
- in 2019 69% of personal customers using the branch also chose to use Online Banking or our mobile app
- the branch was used by 177 business customers on a regular basis in 2019.

We have used data up to 2019 as this represents normal branch usage, as 2020 data has been significantly impacted by the coronavirus pandemic.

Our responsibility to you.

We completely understand that online banking isn't right for everyone. Sometimes you want to chat things through with someone. We promise that you'll still be able to talk to one of our team either on the phone, by video or in one of our other branches.

We've put together this leaflet to guide you through the changes, but if you've got any questions at all just ask one of our team.

They'll be on hand to help you find ways you can bank that best suit your needs. We're also here for anyone who'd like help in getting started with online banking or our app. As well as short, easy-to-follow How To videos, we run online classes over Zoom. You'll find everything you need to know on our website natwest.com/onlinebanking. (And there are some handy fraud and scam awareness tips too.)

We also have Customer Support Specialists that are dedicated to helping customers who need more support.

Community Engagement following closure announcement

Here's what we did

Recently, we wrote to customers to tell them that our Manchester Spinningfields Square branch would be closing. We also advised the local MP and some key groups and people within the community.

We got in touch with customers who use the branch and those who may need extra support, to see what we could do to help. We've been able to offer advice on the easiest ways to bank in the local area. And we've also been able to help those who want to get started with Online Banking.
