

NatWest

Potters Bar branch is closing on 22 February 2023

A guide to explain what this means for you.

The way we bank is changing

With the ease of mobile and online banking fewer people are coming into the bank. This means we've had to make some tough choices about which can stay open. So, we want to make sure that we keep the branches people are using most.

Across the bank we have seen.

Measurement in both graphs is millions

More than

644

million mobile and online transactions were processed in 2021

Our responsibility to you

We completely understand that online banking isn't right for everyone. Sometimes you want to chat things through with someone. We promise that you'll still be able to talk to one of our team either on the phone, by video or in one of our other branches.

We've put together this leaflet to guide you through the changes, but if you've got any questions at all just ask one of our team.

They'll be on hand to help you find ways you can bank that best suit your needs. We're also here for anyone who'd like help in getting started with online banking or our app. As well as short, easy-to-follow How To videos, we run online classes over Zoom. You'll find everything you need to know on our website natwest.com/onlinebanking (And there are some handy fraud and scam awareness tips too.)

We also have Customer Support Specialists that are dedicated to helping customers who need more support.

How we decide to close a branch

Closing a branch is always difficult and not a decision that we ever take lightly. We look at:

- the likely impact on customers. How often customers use the branch – and the transactions they’re making.
- their banking preferences.
- where the nearest branch and nearest cash machines are.
- is there a local Post Office® for everyday banking?
- all the other banking options: Online, Mobile, Telephone and Video Banking.

In Potters Bar, we saw:

Comparing January 2019 and January 2022, counter transactions for personal customers have decreased by 69%

In 2021 73% of personal customers using the branch also chose to use Online Banking or our mobile app

- the branch was used by **1** personal customer(s) on a regular basis in 2021.

- the branch was used by **57** business customer(s) on a regular basis in 2021.

NatWest Potters Bar will permanently close from 22 February 2023

How we've communicated this closure to customers

In line with the Financial Conduct Authority's guidelines, we took a range of factors into account before deciding to close this branch. You can read about these on pages 2 and 3 of this factsheet.

After speaking to our branch colleagues, we wrote to all branch customers to tell them about the closure, including other ways they could bank with us and where their nearest branch, ATM and Post Office was. We understand that closing a branch can be difficult for some people so we always give customers at least 12 weeks notice of closure to allow them time to consider their options.

The notice of closure was also reinforced with a poster displayed in the branch which stated the closure date. In addition, we got in touch with customers who use the branch and those who may need extra support, to see what we could do to help. We've been able to offer advice on the easiest ways to bank in the local area. And we've also been able to help those who want to get started with Online Banking.

How we've engaged with the local community

After we announced the closure, we spoke to key members of the local community to help us understand the impact that closing the branch could have.

The individuals and groups that we spoke to were:

- Rt Hon Oliver Dowden CBE MP
- Councillor Abhishek Sachdev
- Oxfam
- Cancer Research UK
- Potters Bar Foodbank
- Age UK Hertfordshire
- Goodacre Court Sheltered Accommodation - Sanctuary Housing
- Cooperscroft Care Home

The feedback we received from customers, community members and organisations was welcomed. We received 118 enquire(s)* and 3 complaint(s)**.

This is what you told us

- Customers were concerned about what local banking facilities would be available after the closure of the branch. We were able to reassure customers by providing information on what the change will mean for them, and advised of the alternative ways to bank.
- Customers were concerned about the Post Office ability to service more customers, as they are already extremely busy. We provided customers with information on how we have invested in our partnership with the Post Office to enable customers to withdraw and deposit cash at any of their 11,500 branches and support cashback without purchase.
- Customers were disappointed at the closure of the branch. We were able to alleviate concerns by providing further clarity around how we came to make this difficult decision, as well as providing additional support and information on the alternative ways you can continue to bank with us.

* An enquiry is any question that can be answered at first point of contact.

** Any oral or written expression of dissatisfaction, whether justified or not, about the provision of, or failure to provide, a financial service or a redress determination, which alleges that the customer has suffered (or may suffer) financial loss, material distress or material inconvenience.

We're still here to help

Even though the branch is closing, we are still here to help you. There are other ways you can do your everyday banking detailed on page 8. However, if you'd like to ask us anything or you need extra support, please get in touch with our dedicated Customer Support Specialists on **0131 380 6528**, (Relay UK **18001 0131 380 6528** or International **+44 121 380 6528**).

Remember there will be no change to customer account numbers, sort codes, standing orders, direct debits, cards, PINs or cheque books.

Banking at the Post Office®

Did you know that you can use your debit card to check your balance, withdraw and pay in cash at the Post Office? You can make cheque and cash deposits with a barcoded credit slip. And you can withdraw up to your daily card limit (or £500 max) and deposit up to £3,000 a day. Business customers can do all this and can register to use our change giving service. This lets you swap notes for coins, or higher notes for £5 notes. Your point of contact at the bank will be able to fill you in.
